

EPSON® R3880 Starter System

Everything you need for the best color printing
on metal you have ever seen

- Print directly on aluminum with an ink jet printer
 - Achieve photo-quality results in full color
 - Over-laminate for enhanced durability

Price – \$2395

Epson R3880 Starter System includes...

- Epson R3880 Printer
- 18" Wide Drytac Laminator
- 12.5" x 150' roll of laminate
- 30 sheets of AlumaJet (10 sheets of each Satin Silver, Satin White and Brushed Silver)

Already have a laminator?

For \$1611, you can order the starter system above without the laminator and laminate.
